

HITEC Founding Customer Status

Be part of the North American launch story.

PurchasePlus is making its North American debut at HITEC 2026, backed by Strattam Capital. The first US customers to sign during the show or within 30 days become Founding Customers, permanently recognised as part of the launch story. This is not a discount. It is a distinction. Being first in a market-defining move matters, and we intend to make it count.
