

Free 60-Day Single-Property POC

Prove the value before the full commitment.

Not every hotel group is ready to commit to a full multi-property rollout on the spot and that is a reasonable position. Our 60-day proof of concept lets you run PurchasePlus on one property at no charge, with full platform access and dedicated onboarding support, before making any group-wide decision. The POC is designed to produce concrete ROI data your team can use to build the internal business case.
